

EAA Corp.'s 2016

Holiday Deal Miracle

*** Now through January 1st, 2017, for the FIRST TIME EVER,**
you could get an **extra 20% off** of the most sought after pistols in the industry.

The **EAA Tanfoglio Witness Elite and Xtreme** lines of firearms typically have long waiting lists but this holiday season we've upped the production to meet the demand. If you've been dreaming of owning one of these "unicorns", now is your chance.

HOW IT WORKS: Contact your local dealer. If they do not have the pistol in stock **AND** cannot order one from their distributor(s), it can be ordered directly from EAA Corp. and shipped to your favorite FFL dealer, earning you a **20% discount on SRP**. We rarely offer a "Direct Purchase" option and have **NEVER** offered a discount, so this truly is a "Holiday Miracle".

THE CATCH: In order to qualify for the discount, the pistol **MUST BE UNAVAILABLE** via your local dealer **AND** their Distributor(s). Below is a list of distributors and their phone numbers for easy access. Have your favorite FFL dealer check with the distributors on our list. Print off this distributor list and form, bring it to your FFL dealer. Once confirmed, sign this document stating that both your dealer **AND** their Distributor(s) list the firearm as "**Out of Stock**". Lastly, your favorite dealer will need to contact us to fax or email a copy of their valid FFL and a copy of this document to EAA Corp. at **(321) 639-7006** or Email it to **EAACORP@EAACORP.com**
